OK... well got called on this gem by the Region as they are responding to his bp 10

We will need to discuss tomw.

Gonna have to review this case and do one of the following:

Submit consultation for surgery

Deny in URC due to "elective" or Refer up in URC (will have to deny because no packet is there)

Then, submit a "packet" up to the Transgender Committee

Can you tell me if surgery was submitted to BOP TCCT for review?
